Oxbridge Interview *Scholarships*

CamVision Education's network of Oxbridge-educated tutors and Cambridge academics covers almost every subject, and has helped more than a hundred students win places at Oxford and Cambridge.

FULLY SPONSORED

100%

No fees or extra charges.

SPONSORED BY CAMVISION

CamVision Education sponsors these scholarships so that financial circumstances never hold back an able student. We also hope they will open opportunities for students of different cultures and backgrounds to meet, share ideas and learn from one another.

01

PART ONE

Open to students, parents and counsellors

Including students applying in future years. Dates and times are emailed after registration.

1 Interview skills session

GROUP · 1 HOUR

Led by Dr Mengmeng Wang-Purcell (Cambridge Engineering, undergraduate to PhD; former interviewer) and an academic specialist with a similar background.

2 Live mock interview demonstrations

ONLINE · 1 HOUR

An Oxbridge specialist interviews a volunteer live; others watch and ask questions.

SUBJECTS Physics, Engineering, Maths, Computer Science, Economics, HSPS, Education and more

Volunteers. Students can sign up when registering; we pick one per subject.

02

PART TWO

Fully sponsored for recommended students

- Once invitations arrive, recommend up to two students who opted in.
- 20 places worldwide, offered on a rolling basis and on academic merit.
- A recommendation does not guarantee a place. Open to all subjects.

3 General interview

ONE-TO-ONE · 30 MINUTES

Practise explaining academic interests and handling follow-up questions.

4 Subject mock interviews

ONE-TO-ONE · 2+ × 30 MINUTES
