SPONSORED BY CAMVISION

CamVision Education sponsors these scholarships so that financial circumstances never hold back an able student. We also hope they will open opportunities for students of different cultures and backgrounds to meet, share ideas and learn from one another.

OUR TUTORS

Former admissions staff, Oxbridge graduates and Cambridge academics; 100+ students helped into Oxbridge. *Meet the team at camvision.education*

01

PART ONE

Open to students, parents and counsellors

Including future applicants. Dates and times are emailed after you register.

1 Interview skills

GROUP · 1 HOUR

Led by Dr Mengmeng Wang-Purcell, who studied Engineering at Cambridge from undergraduate to PhD and is a former Cambridge interviewer, with an academic specialist with a similar background.

2 Live mock interview demonstrations

ONLINE · 1 HOUR

Watch an Oxbridge specialist interview a volunteer live, then ask your questions.

SUBJECTS Physics, Engineering, Maths, Computer Science, Economics, HSPS, Education and more

Volunteer for a live mock interview. Want to experience a real Oxbridge-style interview? Sign up as a volunteer when you register. We will select one student per subject to take part in a 20–30 minute mock interview with an Oxbridge tutor, followed by live feedback. Everyone else can watch and learn from the experience.

02

PART TWO

Fully sponsored for recommended students

Applying this year? Tick the scholarship option when you register. After invitations arrive, your counsellor may recommend you. There are 20 places worldwide, open to all subjects.

3 General interview

ONE-TO-ONE · 30 MINUTES

Talk about your academic interests and handle follow-up questions.

4 Subject mock interviews

ONE-TO-ONE · 2+ × 30 MINUTES

Two or more practice interviews in your subject, each with detailed feedback.
